

INNOVATORS IN SEAL TECHNOLOGY

Aftermarket Exhaust Kits

At MPRC we understand MRO maintenance practices. We have developed aftermarket EMD® exhaust kits that streamline exhaust maintenance and repair. Depending on the cylinder arrangement, MPRC can supply a specific kit to fit your exhaust maintenance needs.

MPRC offers engine exhaust joint and bolt hardware kits.

0-EM-EXH-T-JKIT-08
0-EM-EXH-T-JKIT-12
0-EM-EXH-T-JKIT-16
0-EM-EXH-T-JKIT-20

MPRC offers gasket and bolt hardware kits (without the expansion joints)

0-EM-EXH-T-GBKIT-08
0-EM-EXH-T-GBKIT-12
0-EM-EXH-T-GBKIT-16
0-EM-EXH-T-GBKIT-20

MPRC offers exhaust gasket kits (without joints and hardware)

0-EM-EXH-T-GKIT-08
0-EM-EXH-T-GKIT-12
0-EM-EXH-T-GKIT-16
0-EM-EXH-T-GKIT-20

Depending on the desired kit arrangement the kits consist of the following:

JKIT: 10" expansion joint, 14" expansion joints, expansion joint and inspection port gaskets, expansion joint bolts w/ high heat nuts, Exhaust base gaskets and spacer style base bolts.

GBKIT: 10" and 14" expansion joint gaskets, inspection port gasket with expansion joint bolts and high heat nuts, Exhaust base gaskets and spacer style base bolts.

GKIT: 10" and 14" expansion joint gaskets, inspection port gasket, and exhaust base gaskets.
