"Carbody Clean-Out Cover Gasket"
(For Short and Long Hood Ends)

The MPRC "Carbody Cleanout Cover Gasket" is made with an exclusive compressed synthetic fiber gasket material- (MPRC Style 7500), specially bonded with a Nitrile (Buna-N, NBR) rubber, making it a great "multi-purpose" gasket sheet, well suited for a wide variety of applications.

Designed for Short and Long Hood Ends, each gasket is precision cut, eliminating unnecessary hand-cutting or stamping gaskets. MPRC understands time is money- let us help improve the performance and efficiency of your equipment today!
